**Certificate
course
in
Translation**

About Us

Pallagatti Adavappa Arts and Commerce College needs no introduction in Tiptur. The **IQAC** of the college, in collaboration with the Department of English ventures this first outreach programme to involve the interested public. The oldest of all tertiary institutions in Tiptur, has the most spacious campus with state of the art infrastructure, and the best human resource possible.

About Translation

The significance of translation in our everyday lives is more multidimensional than we realize. Yes, English is a language that is pretty much everywhere. It is the third most widely-spoken language in terms of native speakers. Communication and travel are advancing. Geography is no longer an issue when it comes to doing business overseas. The only lacunae would be the language barrier. These mega-businesses need high-quality translation in order to communicate effectively to grow their business.

Translation is a skill that requires proficiency in at least two languages. This has become an industry and is in great demand. You can stay at home and earn by translations.

About the course

As a gesture of gratitude to the denizens of Tiptur, for having supported us to thrive and serve the society for six long decades, as a part of the **diamond jubilee** commemorations of our institution, we offer a **free online certificate course in translation** for the interested public.

The course consists of 18 modules with 36 hours of activity, for a period of six weeks. Each online session will be for one and a half hours duration, for four days in a week.

The languages of translation are essentially, Kannada and English. The major thrust will be on the practical process of translation and theories are avoided to the extent possible. Sessions will be in convenient evening hours.

Certificates shall be issued for those who successfully clear the test given at the end of the course.

REGISTER

Please register only if you are serious and intend to stay till the end. There shall be only a limited number of participants.

Who can participate?

All those who have passed second year PUC can participate. Students, teachers, housewives, employees, anybody with a substantial competence in both Kannada and English can participate.

What we expect

We expect punctuality and net-etiquettes. You must not chat in the message boxes during sessions. You must turn your speaker off and use it only when you want to interact with the instructor. Ensure you have enough data to sit through the session.

Have no commitments during the sessions. The assignments must promptly completed. You must not share the link to participate to others. Participants can attend only with the prior permission of the organizers.

- b. The bylaws of the company state that the annual shareholders' meeting for the election of directors be held at such time each year as the board of directors determines. But not later than the fourth Wednesday in July. In 2001. the meeting was held on July 10 18th. At the discretion of the board, in 2002 the meeting was held on March 20th. The issue in this case is whether the bylaws provide that no election of directors for the ensuing year can be held unless a full year has passed since the previous annual election meeting.
- c. Lung (pulmonary) complications. Sometimes, pulmonary complications arise due to lack of deep breathing and coughing exercises within 48 hours of surgery. They may also result from pneumonia or from inhaling food, water, or blood, into the airways. Symptoms may include wheezing, chest pain, fever, and cough (among others).
