& Commerce First Grade College
TIPTUP 572 202

Following actions were taken during the academic year 2018-19

1. Student eco-warriors were involved in the Green Audit Committee and audit was done. On 5th June 'Environment Day' was celebrated and plantation was done to remark the day to make the campus more Green.
2. Campus is located in the vicinity of many trees (species) to maintain the bio-diversity. Various tree plantation programs are being organized at college campus and surrounding villages through NSS (National Service Scheme) unit. This program helps in encouraging eco-friendly environment which provides pure oxygen within the institute and awareness among students. The plantation program includes various type of indigenous species of ornamental and medicinal wild plant species
3. The entire campus including common facility centres are equipped with LED lamps and LED tube lights, except at few locations. Installation of LED lamps instead of CFL and replacing the old tube lights with the new LED tubes. Cleaning of tube-lights/bulbs to be done periodically, to remove dust over it.

TIPTUP - 572 202

Following actions were taken during the academic year 2019-20

1. Student eco-warriors were involved in the green audit committee and audit was done. On 5th June 'environment day' was celebrated and plantation was done to remark the day to make the campus more green.
2. Waste generation from tree droppings and lawn management is a major solid waste generated in the campus. The waste is segregated at source by providing separate dustbins for bio-degradable and plastic waste. Vermi-composite bin was built and all the solid waste were stored in the bin, after some days manure formed in the bin was used to grow trees and plants in the campus.

Following actions were taken during the academic year 2020-21

1. Student eco-warriors were involved in the Green Audit Committee and audit was done. On 5th June 'Environment Day' was celebrated and plantation was done to remark the day to make the campus more Green.
2. In order to minimize paper waste, reduce the carbon footprint and the cutting of trees to produce paper, the college uses used one sided paper for all their printing needs. Single sided used papers reused for writing and printing in all departments and recently both side printing is carried out as per requirements.
3. Metal waste and wooden waste is stored and given to authorized scrap agents for further processing.
4. Separate dustbin for wet and dry wastage was placed in ever corner of the college campus.
5. Sign boards were installed at key places to give instructions to use bins.
6. Banning use of tetra packs and pet bottles.
7. Students were encouraged to use electric vehicles instead of fuel vehicles.

Cleaning of Tiptur Government Hospital Premises

	<p>Cleaning of Sports Stadium</p>
	 <p>A group of students in school uniforms (white shirts and dark trousers/skirts) are cleaning a dirt sports field. They are using brooms to sweep the ground. In the background, there are trees and a building.</p>
	<p>Vanamahostava</p>
	 <p>Students are participating in Vanamahostava, a traditional festival. They are cutting branches from a tree. One student in a blue shirt is in the foreground, and others are in the background.</p>
