Minutes of the Second IQAC Meetings: 2016 -17

The IQAC Meeting was held on 23th Feb 2017, in the Principal's chamber. All the following members participated and were happy to see that most of the plans resolved in the last meeting were executed successfully. This ignited the members to have more ambitious programmes for the next semester. Since some of the students were exceptionally good, it was suggested to ask the teachers to inspire them to participate in inter collegiate cultural and literary competitions. The committee decided to have as many out-reach programmes as possible and also to harness the human resource of our college. The newly appointed Librarian being resourceful, the committee decided to avail of his services to make the library more use friendly. The committee also suggested to encourage the students participate in intercollegiate sports events.

The following members of the committee participated in the meeting:

Minutes of IQAC Meetings: 2018-19

We consider the day on which the first meeting of the IQAC was convened (4th June 2018) as the day the formation of IQAC of our college for the year 2018-19, though the members were suggested and included in a staff meeting presided by the principal in his chamber with the following members, much earlier.

The following details are the minutes of the first IQAC meeting held on 2nd June 2018. As the objectives of an institution are generally determined and constant, it was decided to carry out the decisions of the IQAC meetings of the last year with a few timely relevant and innovative additions. The expectations of the DCE, the University and the NAAC are to be met with. The primary issue of the meeting was the admissions which is dwindling at an alarming rate. It was unanimously agreed that the problem has to be grappled with in two phases at two different levels. The immediate solution will be to make an extensive campaign to visit various PUC Colleges, consult potential candidates through personal contacts and get the admissions done, no matter they can afford to pay the fee or not. The second phase is to conduct various academic and co-curricular activities throughout the academic year that draw the attention of the people in general and students of the neighbouring colleges in particular, that could potentially increase the admissions in the forthcoming years.

Minutes of the Third IQAC Meetings: 2019-20

The third IQAC meeting was held on 16th December 2019. The main agenda of the meeting was to discuss the celebration of Open Day. A day when the public, and outsiders may visit our institution and participate in all the activities we conduct. An elaborate discussion took place to decide what different activities can be included in it and how to manage it. It was decided to call the programme as 'Parichai' to show-case our activities and draw interest in the subjects we teach. It was decided to conduct an exhibition on their respective topics from each department. Arrange lectures. To add colour to the event, it was decided to have stalls of various kinds. Stalls involving simple yet interesting games, and stalls that provide eatables prepared by students there right before them, to train them in entrepreneurship. The meeting was held in the principal's chamber in the presence of the following members:

Minutes of IQAC Meetings: 2020 -21

The first IQAC meeting was held online, on Monday, the 28th September 2020. The members of the committee shared innovative ideas for the academic year that could be conducted despite the pandemic. Inspired by the success and popularity gained by the faculty seminar conducted in the previous year, it was decided to be made a permanent feature of our college activity as one of the best practices.

Coping with the ICT gadgets, like internet based computers or cell phones to teach the students during the pandemic, proved to be a great challenge for some teachers who have not updated themselves with the change. So, it was suggested to conduct a crash course on the use of gadgets like pentab and google forms. Certain national festivals and events that are observed mandatorily were also listed. The Republic Day celebration, Swami Vivekananda's birthday celebrated as youth day, were considered.

According to the suggestion of the members, a platform for lecturing was provided to the students as well. It was agreed upon to conduct a chalk and talk contest to the students to harness their dormant oratory abilities. These resolutions were accepted by the members of the IQAC committee which consists of the following members present on that day:

Dr. N Jagadeesh (Principal)	Chairman
CMS Lokeshwaraiiah (NSS)	Senior administrative officer
